

## Major Agricultural and Food Expos in Hungary 2018

Major Agricultural and Food Expos in Hungary in 2018				
Exhibition	Date	Place	Description	Website
Agromash Expo	<u>24-27 January</u>	Budapest	AGROMashEXPO and Agricultural Machine Show is the largest agricultural machinery exhibition in Hungary. Visitors can find interesting and professionally useful programmes and novelties in 9 pavilions of HUNGEXPO Budapest Fair Center in a total of 38,000 square metres. All actors of the Hungarian agricultural market will be represented at the exhibition.	<a href="http://agromashexpo.hu/en">http://agromashexpo.hu/en</a>
FeHoVa	<u>15-18 February</u>	Budapest	FEHOVA – large-scale gathering of the hunters, anglers and nature-lovers of the Carpathian Basin	<a href="http://fehova.hu/">http://fehova.hu/</a>
Agri-Expo of the Danube-Tisza Interfl	<u>24-25 March</u>	Kiskőrös	At the exhibition visitors can get acquainted with the wide food supply of the Hungarian producers and the offer of the domestic agricultural equipment manufacturers. In addition, Hungarian financial institutions will also be represented and so visitors can assess the current credit facilities as well.	<a href="http://www.agrarexpo.hu">http://www.agrarexpo.hu</a>
Pápa Agri-Expo	<u>25-27 May</u>	Pápa	Pápa Agri-Expo Agricultural Exhibition and Fair is one of the highest priority programmes of Pápa, which is also of great attraction in the whole region. It provides an opportunity to farmers, distributors and machine dealers to introduce themselves.	website for 2018 is expected later
25th Hungarian Great Plain Animal Husbandry Days	<u>10-12 May</u>	Hódmezővásárhely	The exhibition is one of the most significant professional meetings of agriculture in Hungary. The impressive animal exhibition area has been providing space for more and more breeding animals year by year. At the exhibition the most outstanding representatives of eight sectors of animal breeding, namely horse, cattle, pig, sheep, goat, poultry, ornamental poultry and rabbit breeders, as well as those of fishing, hunting, animal breeding and the related specialized plant growing introduce themselves.	<a href="http://www.allattenyesztesinapok.hu/en/">http://www.allattenyesztesinapok.hu/en/</a>
Farmers' Days in Szentlőrinc	<u>10-12 August</u>	Szentlőrinc	The Farmers' Days in Szentlőrinc are one of the most significant trade fairs in Hungary where representatives of the domestic food and agricultural sectors introduce themselves.	<a href="http://bmvk-gazdanapok.eu/">http://bmvk-gazdanapok.eu/</a>
Hajdúság Expo	<u>10-12 August</u>	Hajdúböszörmény	Hajdúság Expo is a significant agricultural event in Hungary during which actors of the Hungarian agriculture are represented. Visitors can benefit from outstanding professional programmes.	<a href="http://www.hbexpo.hu/">http://www.hbexpo.hu/</a>
Farmer Expo	<u>17-20 August</u>	Debrecen	Farmer Expo is one of the leading international agricultural and food industry exhibitions in Hungary offering the widest and most efficient possible opportunities for the representatives and partners of the agricultural sector to introduce themselves as well as to establish and deepen contacts. Consequently, the Expo offers a forum for domestic and foreign companies, businesses and organizations, which are directly involved in agricultural production or connected to and being in partnership with this sector, to present their products and services.	<a href="http://www.farmerexpo.hu/aloldal.php?id=15">http://www.farmerexpo.hu/aloldal.php?id=15</a>
Farming Days in Bábolna	end of August to end of September	Bábolna	The International Farming Days in Bábolna are the agricultural expo with the oldest traditions in Hungary. For many years the expo has provided a comprehensive picture to professionals of the available supply of the most up-to-date machines as well as seeds, fertilizers and pesticides.	<a href="http://www.babolnaigazdanapok.hu/?lang=en">http://www.babolnaigazdanapok.hu/?lang=en</a>
Field Days	<u>20-21 September</u>		As far as plants are concerned, at the event covering more than 40 hectares, this year there will be presentations of varieties, micro- and demo parcels as well as lectures presenting the various fields of precision farming, while regarding machinery, the machines of autumn works, harvesting and fertilizer machinery, machine connections and equipment will be represented. This year too the aim of this professional event is to enable farmers to directly obtain relevant and up-to-date information which will help them in making decisions ensuring development.	website for 2018 is expected later
Animal Breeding Days in Kaposvár	<u>3 September</u>	Kaposvár	The Animal Breeding Days of Kaposvár are the largest exhibition in Transdanubia which is also very significant in national terms. At the event visitors can enjoy rich professional and public programmes such as a show of breeding animals, machinery demonstration and food exhibition.	<a href="http://wp.kaposvarinapok.hu/?page_id=20">http://wp.kaposvarinapok.hu/?page_id=20</a>

**Major Agricultural and Food Expos in Hungary  
2018**

<b>3rd Baranya County Honey Day</b>	end of September	Szentlőrinc	The Beekeepers Association of Pécs and the Baranya County Entrepreneurial Center hold professional presentations, an exhibition of beekeeping equipment and a small farmers' fair in Szentlőrinc.	<a href="http://kistermelokhaza.hu/rendezvenyek/iii-baranyai-mezes-mazas-nap">http://kistermelokhaza.hu/rendezvenyek/iii-baranyai-mezes-mazas-nap</a>
<b>Csaba Sausage Festival</b>	<b><u>19-22 October</u></b>	Békéscsaba	The Csaba Sausage Festival, which has been organized regularly for almost two decades, is the largest gastro-cultural festival in the Carpathian Basin and thus, the most precious tourist product of Békéscsaba which has been determining the image of the town since 1997. Our pride is even greater since 2013 when the Csaba Sausage became a Hungaricum.	<a href="http://www.csabaikolbaszfesztival.hu/135/programs-2015">http://www.csabaikolbaszfesztival.hu/135/programs-2015</a>
